HAB Gardens is offering the Billings Community the chance to receive vegetables, fruits, and herbs throughout the 2014 growing season for just \$5. Our **Raffle-A-Plot** fundraiser is easy! Contact HAB to enter the raffle or to learn more. Winners will be chosen and contacted in mid-June.

**Welcome Stephanie and Freddy, our new Summer Volunteer In Service To America (VISTA) Associates!**

They will serve our gardens this summer, and they are already hard at work! We look forward to seeing their great ideas in action!

**No room for a big garden? Garden in a bucket!**

HAB offers a bucket gardening program to all HAB tenants. We provide the bucket, soil, seeds, and tools, and you can grow fresh veggies, herbs and flowers! Contact us if you are interested.
