Two Ways To Have Fun Supporting Us In September 2015!

Harvest Fest at Lucky's Market!

Harvest Fest is a day-long event on **Saturday, September 19th** including a free **canning class at 11:00 am**, a **children's activity starting at 2:00 pm**, and a full-blown tailgate-style **BBQ and chili dinner at 5:00 pm** with live music and games! The HAB Community Gardens Project will be collecting all proceeds from the dinner and using the money to support its garden program. Come hang out, have a good time, and support HAB Gardens while you're at it! To reserve a spot for the canning class, call Anne at 406-256-7311 or email annec@luckysmarket.com. We hope to see you there!

Dinner at Lilac Restaurant!

On **Wednesday, September 16th**, Lilac is donating **ten percent** of the evening's profits to the HAB Community Gardens Project. We really appreciate their generosity and are hoping for a larger-than-normal turnout to boost their business and our fundraising! If you're not hungry, at least come by and have a drink. Tell your friends, family, and co-workers about this great opportunity to support HAB Gardens! Lilac restaurant can be found at 2515 Montana Ave.
